### Small Business Administration

- Application for EIDL: <https://covid19relief.sba.gov/#/>
- Application and information for PPP: <https://www.sba.gov/funding-programs/loans/paycheck-protection-program-ppp>
- Additional information:

- EIDL loans may be used to pay fixed debts, payroll, accounts payable and other bills that can't be paid because of the disaster's impact. The interest rate is 3.75% for small businesses. The interest rate for non-profits is 2.75%.
- National Council of Nonprofits have created an excellent resource on Loans Available for Nonprofits in the CARES Act (Public Law 116-132):

- Article from *Nonprofit Quarterly* on "How Nonprofits Can Utilize the New Federal Laws Dealing with COVID-19" :  
<https://nonprofitquarterly.org/how-nonprofits-can-utilize-the-new-federal-laws-dealing-with-covid-19/>
  - *from article*: "Emergency Support for Small to Midsized Nonprofits (500 Employees or Fewer)":
  - "The bill creates a new Emergency Small Business Loan program within the SBA 7(a) loan program. To be eligible, nonprofits or for-profits must have been in existence on March 1, 2020 or earlier and have 500 or fewer employees. An important provision: under this new program, loans are forgivable if the nonprofit or for-profit keeps staff on the payroll between March 1 and June 30. This, in essence, turns the loan into a general operating support grant. Forgivable loans of this type can be taken out for as much as \$10 million and can be used to meet payroll and associated costs (including health insurance premiums), facilities costs, and debt service." - My understanding is this refers to provisions made available in the PPP
  - "Further good news: A provision in earlier drafts that would have disqualified nonprofits that are eligible for Medicaid payments was removed from the bill."
